

All Aliport Commercial structures are provided with a 5 year warranty from the date of installation. The period of this warranty can be extended by signing up to an after-care package with Aliport Commercial. The warranty covers all product faults resulting from normal operations and usage of the structure and includes any labour and materials to rectify the fault. The warranty excludes any damage caused by vandalism or unreasonable actions.

In the unlikely event that you do have an issue with your structure please email this form with the required photographs to warranty@aliportcommercial.co.uk
